

Cornerstone + Beachmont STEAM Club

CETR VEXPO SUBMISSION: GE1501/1502
WITH PROF. SCHULTE GRAHAME

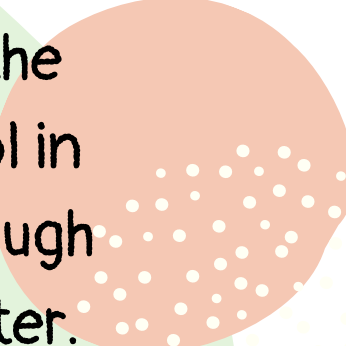

Introduction

The first-year engineering students in GE1501/02, "Stacked Cornerstone", spent over 180 hours with the fourth and fifth grade students of Beachmont school in Revere. They worked with these future engineers through 10 different STEAM-related lessons over this semester.

The Lead Mentors

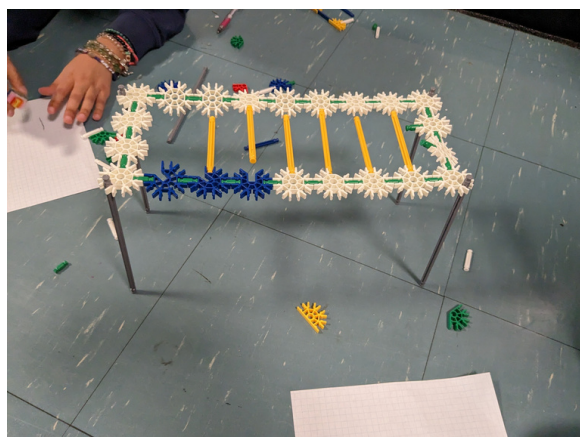

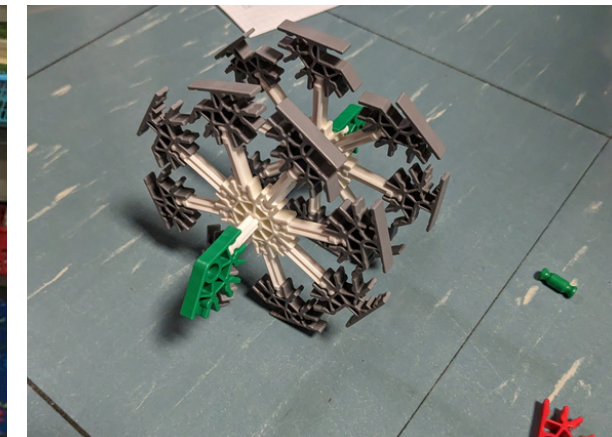

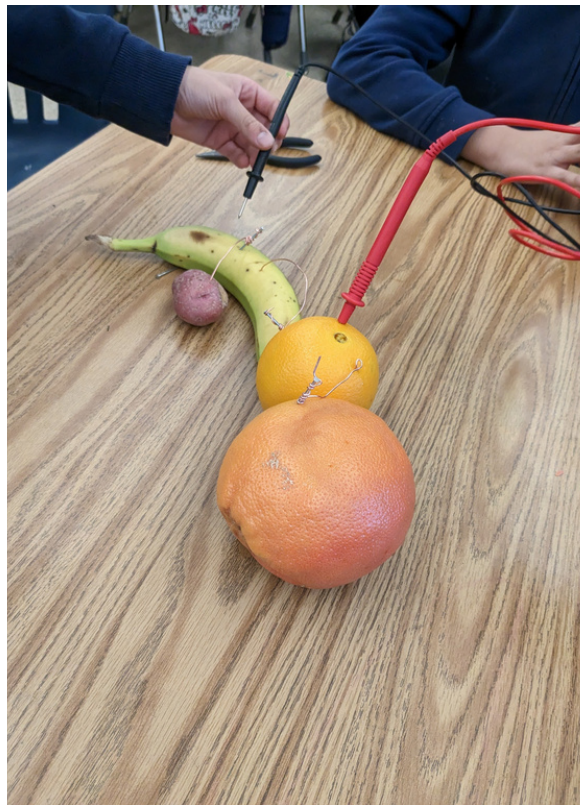

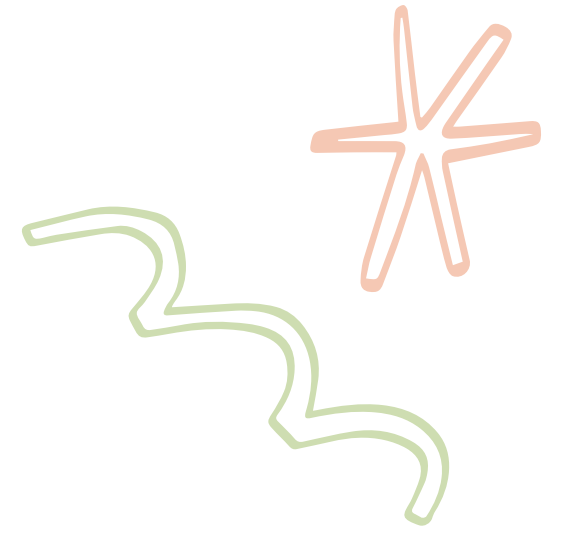

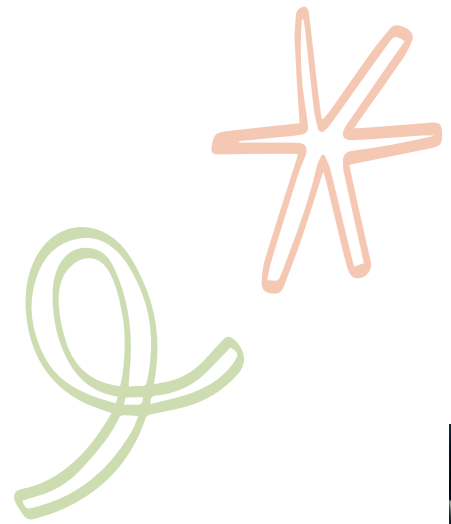

Above: Lead Mentor Sarah Adams

Below: Lead Mentor Lora Ovcharova

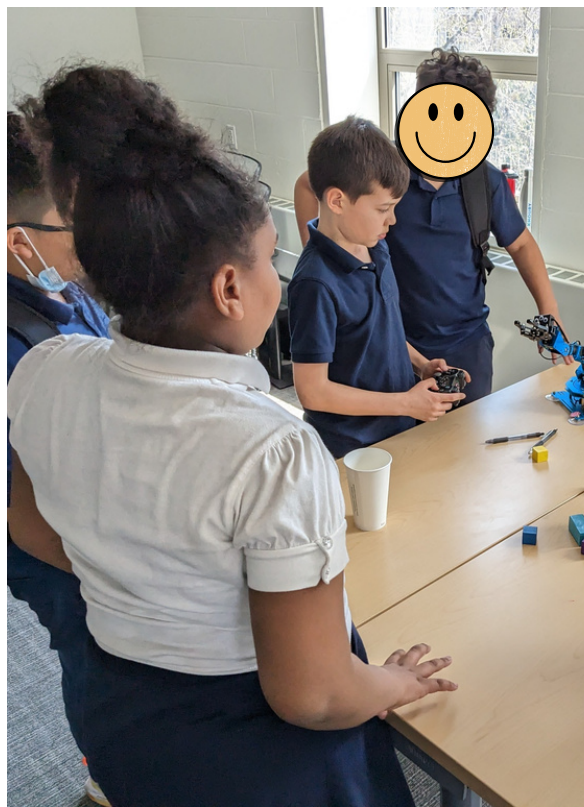

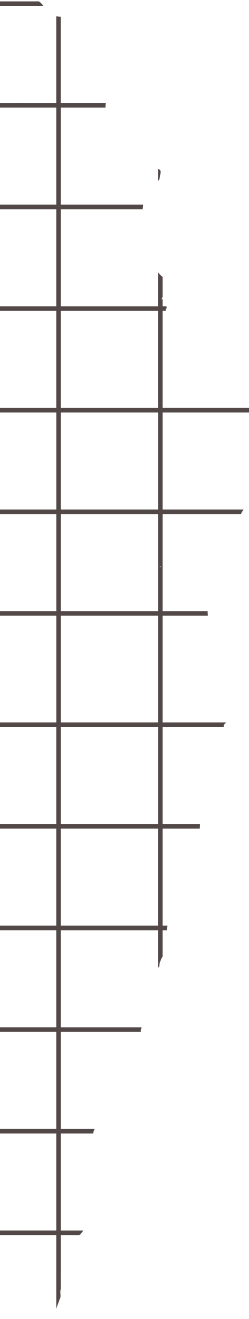

Lead mentors were charged with leading their peers as they went to Beachmont every other week .

STEAM Club

EXPO & Field Trip

Another successful semester!

Prof. Schulte Grahame's Cornerstone will continue to do their service-learning with Beachmont's STEAM Club.

Till Next Year!
